

Chuck Statler
Taylor County Commissioner
Precinct 4

Chuck Statler, a graduate of Abilene Christian University has served as a Taylor County Commissioner since 1998, serving his sixth consecutive term, he has developed special interest in many areas of county government. He is a native of Breckenridge, Texas and a veteran of the United States Army having served in Europe in the Military Police Corps. Prior to his public service, he was an Advertising Executive for KTAB-TV for 15 years.

He believes that every county elected official must be willing to make or suggest changes in the way we conduct county business. He feels that county officials, especially County Judges and Commissioners should communicate with their colleagues, looking at Best Practices throughout the State as a tool to help them do a better job in their respective county. As the longest serving member on the Commissioners' Court, Commissioner Statler also serves as the Judge pro-tempore.
